## MontElbrus

 bathrooms: 1

 guest toilet

 bedrooms: 1

Cosy, modern furnished apartment with parquet floors, high ceilings and large windows.

High functionality in a small area. A sliding wall can be used to isolate the living and kitchen area.

Pretty bathroom with natural stone tiles and walk-in shower and fully equipped kitchen with washing machine. Drying racks and ironing utensils are also available.

Our apartments are located in the center of a constantly growing creative community in the heart of Prenzlauer Berg – Berlin Mitte.

The modern interior design is inspired by the rich history of the area. »BonusFeature« is an institution in the Kollwitz district and combines Berlin living culture with sensual, private flair.

Rooms furnished with love, special floor plans, selected materials, as well as a fresh and authentic sleeping culture have made us a popular address. In short – exquisite design apartments at the water tower, between Kollwitzplatz, Pfefferberg and Soho House.
